Coronavirus Update For Plumbers & Pipefitters Local 525 Members & Families

Your Collective Union Health team would like to provide you and your family with the best guidance for how to proceed during this evolving time. If you or your family member is experiencing any of the following symptoms:

- Fever greater than 100.4 F
- Dry or productive cough
- Shortness of breath
- Generalized body aches

OR

- If you have been in contact with an individual who has tested positive for COVID-19

**Please call Collective Union Health at
702-960-4465**

so one of our trained staff can further assist and direct your care.

After hours call **877-239-9372**

In an effort to minimize the risk of exposing otherwise healthy patients, we ask that if you are experiencing ANY of the above symptoms you **do not come into clinic prior to calling the provided number**. Please visit www.cdc.gov for steps to help prevent infectious disease transmission and infection at home.

We have designated the Buffalo Clinic as the “sick” clinic and the Windmill as the “not sick” clinic. All calls should be going to the Windmill Clinic at 702-960-4465 and you will speak to a medical professional. Please call before arriving or you will be turned away.

As always, your Collective Union Health team is committed to providing the best care for you and your family.
